

ZONING ORDINANCE
VILLAGE OF FORESTVILLE
ORDINANCE NO. 100

AN ORDINANCE to regulate the use of land within the Village of Forestville, Sanilac County, Michigan in accordance with the provisions of the Michigan Zoning Enabling Act, being Public Act 110 of the Public Acts of 2006, as amended.

THE VILLAGE OF FORESTVILLE ORDAINS:

ARTICLE I

Title

Section 1.01. This Ordinance shall be known and cited as the Forestville Village Zoning Ordinance.

ARTICLE II

Activities Covered By Ordinance

Section 2.01. No building or structure, or part thereof, shall be erected, constructed, reconstructed, placed, altered, or moved; and no new use or change in use shall be made of any building, structure, or land, or part thereof; except in conformity with the provisions of this Ordinance.

ARTICLE III

Administration

Section 3.01. ZONING ADMINISTRATOR. The provisions of this Ordinance shall be administered and enforced by a Zoning Administrator appointed by the Village Council. The Zoning Administrator shall serve under such terms and at such rate of compensation as the Village Council may determine.

Section 3.02. ZONING PERMITS. A zoning permit shall be acquired from the Zoning Administrator before any construction is undertaken, any structure is moved, or any change in the use of any land or structure is undertaken within the Village.

- A. APPLICATION. A zoning permit shall be applied for in writing on an application form provided by the Village.
- B. PERMIT ISSUANCE. A zoning permit shall be issued by the Zoning Administrator whenever the proposed use complies with the provisions of the Ordinance and any

necessary Planning Commission, Board of Appeals, or Village Council approvals have been obtained.

- C. EXPIRATION. A zoning permit shall expire one (1) year after the date of issuance unless the proposed use has been commenced within that year. Any amendment to the Zoning Ordinance shall have the effect of voiding any outstanding zoning permits for uses which have not been commenced and which would violate the amendment.
- D. VOID PERMITS. Any zoning permit issued in error or pursuant to an application containing any false statements shall be void.
- E. PRIVATE RESTRICTIONS. The Zoning Administrator shall not refuse to issue a zoning permit due to violations of private covenants, agreements, or deed restrictions if the proposed use is permitted by the Zoning Ordinance.
- F. FEES. The amount of any fees charged for zoning permits, applications, or inspections shall be established by the Village Council.

ARTICLE IV

Zoning Districts

Section 4.01. DISTRICTS. The Village is hereby divided into the following zoning districts:

AR	Agricultural and Residential	
R	Single Family Residential	
RM	Multiple Family Residential	(Allowed with permit only)
MHP	Manufactured Housing Park	(Allowed with permit only)
CBD	Central Business District	
CI	Commercial and Industrial	(Allowed with permit only)

Section 4.02. DISTRICT BOUNDARIES AND MAP. The boundaries of the zoning districts are shown on the zoning map which is part of this Ordinance. The map shall be designated as the Forestville Village Zoning Map.

Section 4.03. PRINCIPAL USES PERMITTED. All uses of land or structures listed as “principal uses permitted” shall be permitted throughout the district under which they are listed. Any use not expressly listed as a “principal use permitted” is prohibited in that district, unless approval has been obtained from the Planning Commission for the use as a “use permitted after special approval.”

Section 4.04. SPECIAL LAND USES. A use of land or structures listed as a “special land use” shall be permitted within the district under which it is listed, provided that Planning Commission approval has been granted pursuant to this Ordinance.

ARTICLE V

AR Agricultural and Residential District

Section 5.01. PRINCIPAL USES PERMITTED.

- A. Farms, farm buildings, and farm uses on parcels of land containing five (5) or more acres. Poultry, rabbits and livestock are allowed. Animal owners in the Ag. - H. Site condominium developments.

Single-family detached condominium developments, subject to the following requirements:

1. Review. Pursuant to authority conferred by Section 141 of Michigan Condominium Act, all Site Condominium Plans shall require final approval by the Planning Commissions before site improvements may be initiated. The review process shall consist of the following two steps:
 - a) Preliminary Plan Review. In the preliminary review phase, the Planning Commission shall review the overall plan for the site including basic road and unit configurations and the consistency of the plans with all applicable provisions of Village ordinances. Plans submitted for preliminary review shall include information specified in items a, b, and c of the submission requirements in subsection 2 below.
 - b) Final Plan Review. Upon receipt of preliminary plan approval, the applicant may prepare the appropriate engineering plans and apply for final approval by the Planning Commission. Final plans shall include information as required by items a-g of the submission requirements. Such plans shall have been submitted for review and comment to all applicable county and state agencies. Final Planning Commission approval shall not be granted until such time as all applicable review agencies have had an opportunity to comment on the plans.

2. Submission Requirements. All Condominium Plans shall be submitted for review pursuant to the standards in Article XVI of this Ordinance (Site Plan Review) and Section 66 of the Michigan Condominium Act, and shall also include the following information:
 - a) A survey of the condominium subdivision site.

ARTICLE XI

Area, Setback and Height

Section 11.01. COMPLIANCE.

- A. All lots and structures shall comply with the area, setback, and height requirements of Section 11.02, unless different requirements are specified as a condition for a use permitted after special approval or pursuant to a variance.

- B. A soil erosion permit, where required, shall be obtained from the Sanilac County Erosion and Sedimentation Control Agency and a copy thereof filed with the Zoning Administrator before final approval of any land use permit. Erosion rates may be increased by natural causes such as high lake levels or major storms or man-made causes such as the construction of erosion control devices or by increasing the amount of runoff from the land. Placing a structure landward of the high risk erosion area is not a guarantee or warranty of safety from erosion damage. Individual property owners concerned with erosion hazards are encouraged to consult with local building officials and personnel from the Department of Natural Resources, or any other pertinent agency, to arrive at site design plans which may use a greater setback to maximize protection for erosion control.

Section 11.02. TABLE OF AREA, SETBACK AND HEIGHT REQUIREMENTS.

- (1) Measured at minimum front yard setback line.

- (2) Measured from road easement

- (3) One acre if not served by a central sewer system.

- (4) Regulated by the Michigan Manufactured Housing Commission. Any land uses in the district other than manufactured housing parks shall meet the requirements of Section 11.02 for the R zoning district. The minimum site size for the park shall be ten (10) acres.

- (5) The minimum floor area per dwelling unit shall not include areas of basement, breezeways, porches, or attached garages.
- (6) The minimum floor area for a one-bedroom apartment is six hundred (600) square feet. A minimum of one hundred (100) additional square feet shall be required for each additional bedroom.
- (7) Up to one hundred (100) feet for agricultural structures.
- (8) In no event shall there be more than four (4) dwelling units per acre.

ARTICLE XII

Parking and Loading Requirements

Section 12.01. GENERAL PARKING REQUIREMENTS. In all zoning districts, off-street parking facilities for the storage and parking of motor vehicles shall be provided as required below. The parking spaces shall be maintained and shall not be encroached upon so long as the main building or structure remains, unless an equivalent number of parking spaces are provided elsewhere.

- A. **MINIMUM PARKING SPACE SIZE.** Each parking space shall be at least ten (10) feet wide and twenty (20) feet long, exclusive of drives.
- B. **MINIMUM WIDTH OF ACCESS LANES IN PARKING AREAS.** The minimum width of access lanes for parking spaces shall be twenty-five (25) feet.
- C. **LOCATION OF PARKING SPACE.** The parking facilities shall be located on the same lot or within five hundred (500) feet of the permitted uses requiring the parking.
- D. **SEATING.** As used in this Article for parking requirements, a seat shall mean either an individual chair or each twenty-four (24) inches of seating facilities.
- E. **SIMILAR USES AND REQUIREMENTS.** In the case of a use not specifically mentioned, the requirements of off-street parking for a use which is similar shall apply.
- F. **EXISTING OFF-STREET PARKING.** Off-street parking existing at the effective date of this Ordinance which serves an existing building or use shall not be reduced in size to less than that required under the terms of this Ordinance.
- G. **DRAINAGE.** All parking areas shall be drained so as to dispose of surface water which might accumulate within or upon such area. Drainage shall be provided to ditches, retention ponds or entirely on to the property on which the parking lot is located.
- H. **ILLUMINATION.** All illumination for such parking areas shall be deflected away from adjacent residential areas.

- I. **HARD SURFACING.** All required parking area for commercial, industrial or institutional uses shall be surfaced with a pavement having an asphalt or concrete binder or with compacted limestone.

Section 12.02. **TABLE OF PARKING REQUIREMENTS.** The amount of required off-street parking space for new uses of land, buildings, or additions shall be determined in accordance with the following table.

Use	Required Number Of Parking Spaces	Per Each Unit of Measure as Follows:
A. Auditoriums, Assembly Halls, Theaters, and Churches	1	Two seats based upon maximum seating capacity in the main place of assembly therein, plus one space for each employee.

D. Barber Shops and Beauty Parlors	2	Each barber or beauty operator
E. Drive-In Restaurants	1	Twenty-five square feet of usable floor area, with a maximum of forty parking spaces.

F. Golf Courses	1	Each two employees plus one space for every five hundred square feet of usable floor area in the club house, plus a minimum of ten parking spaces per hole on the golf course.
G. Industrial Establishments and Warehouse Facilities	1	Each employee computed on the basis of the greatest number of persons employed at any period during the day.
H. Residential dwellings	2	Each dwelling unit
I. Restaurants or similar establishments in which is conducted the sale and consumption on the premises of beverages, food or refreshments. This shall include private clubs, lodges, and recreational facilities.	1	One for each two persons at maximum seating capacity, plus one space for each employee.
J. Retail stores and services establishments other than those specified herein	1	One hundred and fifty (150) square feet of usable floor area, plus one space for each employee.
K. Sanitariums, convalescent homes, hospitals, hotels, and similar establishments	1	Two beds
L. Service garages, auto salesrooms, auto repair, collision or bumping shops, car wash establishments	1	Two hundred (200) square feet of usable floor area, plus one space for each employee on the basis of the maximum number of employees on duty at any one time, plus two spaces for each auto serviced.

M. Repair establishments for appliances, household items, glass, and similar items; lawn and garden establishments	1	Three hundred (300) square feet of usable floor area plus one space for each employee.
--	---	--

For Purposes of this section, “usable floor area” shall mean the floor area open to the public for customer, office or retail use. This excludes areas such as bathrooms, warehousing areas, and mechanical rooms.

Section 12.03. OFF-STREET LOADING REQUIREMENTS. On the same property with every building or structure used for manufacturing, storage, warehouse, goods display, department store, wholesale, market, hospital, mortuary, laundry, dry cleaning, or other uses involving the receipt or distribution of vehicles, materials, or merchandise, there shall be provided and maintained on the lot adequate space for loading and unloading. All such loading and unloading areas shall be paved with a pavement having an asphalt or concrete binder.

Such loading and unloading space, unless adequately provided for within a building, shall be an area at least ten (10) feet by thirty (30) feet, with minimum fourteen (14) foot height clearance, and shall be provided according to the following schedule:

<u>Gross Floor Area (Square Feet)</u>	<u>Loading Spaces Required</u>
0-2,000	None
2,000-20,000	One space
Over 20,000	One space for each 20,000 square feet.

ARTICLE XIII

General Provisions

Section 13.01. CONFLICTING REGULATIONS. Whenever any provisions of this Ordinance impose more stringent requirements than are imposed by the provisions of any other law or ordinance, the provisions of this Ordinance shall govern.

Section 13.02. STREET FRONTAGE. Every dwelling or other building shall be located on a parcel of land which shall have frontage on a public street or on a private driveway easement which serves a maximum of three (3) dwellings. All such easements shall be at least ten (10) feet in width, shall have sufficient gravel or hard surfacing to support emergency vehicles, and shall have a recorded maintenance agreement.

Section 13.03. RESIDENTIAL OCCUPANCY OTHER THAN IN COMPLETED DWELLINGS. Garages, barns, pole barns, accessory buildings, and basements shall not be occupied as dwellings. However, the Zoning Administrator may grant temporary occupancy pursuant to Section 13.08.

Section 13.04. SINGLE-FAMILY AND TWO-FAMILY DWELLING REQUIREMENTS. Any single-family or two-family dwelling shall comply with the following minimum standards:

- A. MINIMUM SIZE: Each dwelling shall contain the minimum number or square feet specified in Section 11.02, prior to any alterations or additions.
- B. MINIMUM WIDTH. Each dwelling shall be no less than twenty-four (24) feet in width in all directions, prior to any additions or alterations.
- C. FOUNDATION. Each dwelling shall be provided with foundation support in the form of perimeter masonry or treated wood foundation or cement pillars pursuant to the specifications of the building inspector. Skirting consisting of brick, concrete blocks, wood, vinyl or aluminum shall be constructed completely around the lower edge of any dwelling utilizing pillars for a foundation. Each dwelling shall be securely anchored to the foundations.
- D. ROOF. Each dwelling shall have a roof with no less than a 4-12 pitch. In the case of manufactured or modular homes, the roof shall be part of the original manufacture of the unit prior to being brought into the Village.
- E. CONSTRUCTION CODE. Each dwelling and dwelling addition shall comply with building code requirements in effect at the time the dwelling is constructed or moved within the Village.

Section 13.05. SIGNS. All signs shall comply with the requirements of the section.

- A. The following signs may be erected in the Village without prior Planning Commission approval, provided the other requirements of this section are complied with:
 - 1. Signs advertising real estate for sale or rent. Such signs may not exceed nine (9) square feet in sign area.
 - 2. Signs advertising agricultural produce grown on the premises. Such signs may not exceed nine (9) square feet in sign area and shall be posted only during the time that produce is available for sale.
 - 3. Signs advertising personal property owned by a resident of the premises; provided such personal property was not purchased for the purpose of resale. Such signs may not exceed nine (9) square feet in sign area.
 - 4. Sign advertising home occupations which have received approval pursuant to the Zoning Ordinance. Such signs may not exceed nine (9) square feet in sign area.

5. Signs promoting political candidates or election issues. Such signs may not exceed sixteen (16) square feet in sign area. Such signs shall not be erected more than sixty (60) days prior to an election and shall be removed within ten (10) days after the election.
 6. Signs stating the name and/or address of a property owner. Homeowner signs may not exceed four (4) square feet in sign area. Farm owners' signs may not exceed thirty-two (32) square feet in sign area.
 7. Temporary signs advertising non-commercial public event for not to exceed sixty (60) days. Such signs shall not exceed thirty-two (32) square feet in sign area.
- B. A sign site plan shall be approved by the Village Planning Commission before any sign is erected, constructed, or altered, except for signs permitted by subsection A above.
 - C. The Planning Commission shall review each site plan as to location, height, aesthetics, compatibility with the surrounding buildings and facilities, and compliance with Village ordinances. The Planning Commission may require revisions to the sign site plan.
 - D. No sign shall include any flashing, oscillating, or intermittent illumination.
 - E. All Illuminated signs shall be so placed as to prevent the rays and illumination therefrom from being directly cast upon any residences or roadways.
 - F. No sign shall rotate nor contain any moving parts.
 - G. All signs shall be set back from all property lines no less than the minimum distance required by the Zoning Ordinance for buildings and structures and from all road right of way lines at least ten (10) feet.
 - H. All signs shall be maintained so that they comply continuously with all requirements of this Ordinance and are kept in a good state of repair.
 - I. On-Site Signs:
 - a. One principal sign shall be permitted on the site of each commercial, industrial, or institutional facility.
 - b. Principal on-site signs shall not exceed forty (40) square feet in sign area.
 - c. No more than two secondary signs shall be permitted on the site of each commercial, industrial, or institutional facility.
 - d. Secondary on-site signs shall not exceed sixteen (16) square feet in sign area.
 - J. Off-Site Signs (Billboards).
 - a. Off-site signs may only be located on parcels of land which are zoned for commercial or industrial use.

- b. Off-site signs shall not exceed forty (40) square feet in sign area.
- c. No off-site sign shall be erected within three hundred (300) feet of any other off-site or on-site sign.

Section 13.06. PONDS. Ponds shall be dug only in the AR district and shall not be located within any front, side or rear setback required by this Ordinance.

Section 13.07. GREENBELTS.

- A. In all zoning districts, no area within the required front yard setbacks shall be used for any permanent or temporary structures other than signs permitted by Village ordinances. Said front yard setback areas shall be planted and continuously maintained with grass, shrubs, or landscaping materials, except for the portion developed for use as a parking area or driveway.
- B. Whenever any property is developed for any use other than agricultural or single-family residential, and the property borders any property zoned for single-family residential use, a greenbelt at least ten (10) feet in width along said borders shall be planted and maintained.
- C. Detailed landscaping plans for all greenbelts shall be provided on the site plan relating to the development and shall be considered as a material part of the site plan. No construction project shall be deemed to be completed until all landscaping features required on the site plan have been planted or installed
- D. The Planning Commission shall review and approve the type of plantings required to provide a satisfactory greenbelt in any specific situation.

Section 13.08. TEMPORARY DWELLINGS

- A. The Zoning Administrator may issue a permit for a temporary manufactured home or other structure to be occupied for up to one (1) year during the time that a permanent dwelling is being constructed. A temporary dwelling does not have to comply with the single family dwelling standards contained in Section 13.04. A temporary dwelling permit may be issued if the following requirements are complied with:
 - 1. A building permit for the permanent dwelling must be acquired before the temporary dwelling is placed on the premises or occupied.
 - 2. The permanent dwelling must be completed and any temporary manufactured home removed from the property before the expiration of the temporary dwelling permit. In the case of garages or other structures, the improvements which make the structure usable as a dwelling must be removed.
 - 3. The applicant must execute an affidavit guaranteeing that any temporary manufactured home will be removed from the premises at the expiration of the permit period. In the case of garages and other structures, the affidavit must guarantee that the improvements which make the structure usable as a dwelling unit will be removed.

4. A temporary dwelling permit may be renewed one time by the Zoning Administrator for up to one (1) additional year for completion of the permanent dwelling, providing reasonable progress has been made on construction of the permanent dwelling during the first one (1) year permit period.
 5. A performance bond, letter of credit or cash deposit shall be posted with the Village Treasurer to guarantee removal of the temporary dwelling. The funds shall be released to the applicant upon verification of removal of the temporary dwelling.
- B. Variances to permit the temporary occupancy of manufacturing homes which do not comply with the single-family dwelling standards of Section 13.04 may be granted by the Zoning Board of Appeals pursuant to the procedures contained in Article XVIII. Such variances may only be granted for the purpose of housing family members who are unable to reside elsewhere due to age, poor health, or indigence. Any manufactured home approved under this section may not be over fifteen (15) years old at the time it is placed on the site. Any manufactured home approved pursuant to this section shall be placed on a reinforced concrete pad or concrete piers and provided with adequate tie downs and skirting. In the event that the temporary manufactured home ceases to be used for the specific purpose for which it was granted, the manufactured home shall be removed from the property within thirty (30) days of the date it ceases to be used for the purpose for which it was granted. A bond guaranteeing the removal of the temporary dwelling shall be posted with the Village in an amount set by motion of the Village Council.

Section 13.09. ONE DWELLING PER PARCEL. No more than one (1) single-family dwelling may be constructed or placed on a single parcel of land.

Section 13.10. PROHIBITED STRUCTURES. No bus, camper, mobile home manufactured home, semi-trailer, truck body or other motor vehicle body or similar item shall be placed on any property for use as a storage structure or other building purpose. This section shall not apply to manufactured homes which comply with Sections 13.04 or 13.08 and are used as single-family dwellings. This section shall also not apply to semi-trailers that are currently licensed for highway use and have a current Department of Transportation sticker.

Section 13.11. PUBLIC SERVICE FACILITIES, COMMUNICATION TOWERS, AND WIND ELECTRICAL GENERATION TOWERS.

- A. Certain facilities provided by utility companies or by the Village government shall be permitted in all zoning districts. Facilities permitted by this section shall include transmission lines, sewer lines, water mains, pumping stations, substations, poles and related equipment. Any equipment enclosures, substations or similar structures shall be subject to the site plan review requirements of Article XVI. Any office, warehouse, manufacturing, or sales buildings must be located in the Commercial or Industrial zoning district.
- B. Communication antennas, wind generation towers, windmills, and related facilities belonging to farmers or homeowners and used for noncommercial purposes shall be exempt from the requirements of this section and shall be allowed as a permitted use in

all residential zoning districts, providing that the antenna, windmill or related facilities do not exceed eighty (80) feet in height. This shall also include equipment used by ham radio operators, as well as residential television and radio antennas.

- C. All communication towers, including transmission towers, relay or receiving antennas, and normal accessory facilities involved in telephone, television, radio, microwave, cable systems, cellular, and similar communication services, may be allowed as special land uses in all zoning districts, pursuant to Article XVII, subject to the following requirements:
1. The applicant shall submit a written explanation of the design characteristics and the ability of the structure(s) and attendant facilities to withstand winds, ice and other naturally occurring hazards. This information shall address the potential for the tower or other mounting structure and/or antennas to topple over or collapse, and what tower configuration should be expected in such an event.
 2. The minimum setback from any property line or road right-of-way shall be equal to the height of the tower.
 3. The tower or antenna shall not be unreasonably injurious to the safety, aesthetics, or market value of nearby properties.
 4. All towers and related equipment shall be designed to be as compatible and harmonious as possible in style and building materials to the surrounding area. Any electrical, telephone or other utility lines to the tower site shall be placed underground.
 5. All tower bases and related equipment shall be surrounded by a full perimeter fence to prevent unauthorized access. The fence shall have locked gates and shall be cyclone fence at least six (6) feet in height. The site shall be maintained in a neat manner.
 6. In order to maximize the efficiency of the provision of telecommunication services, while also minimizing the impact of such facilities on the Village, co-locations, or the provision of more than one antenna and more than one user on a single tower at the single location, shall be strongly encouraged. Before approval is granted for a new facility, the applicant shall demonstrate that it is not feasible to co-locate at an existing site.
 7. Co-location shall be deemed to be “feasible” for the purposes of this section, where all of the following are met:
 - (a) The site on which co-location is being considered, including reasonable modification or replacement of a facility, is able to provide structural support.
 - (b) The co-location being considered is technologically reasonable, i.e., the co-location will not result in unreasonable interference, given appropriate

physical and other adjustment in relation to the structure, antennas, and the like.

- (c) Existing towers or structures are located within the geographic area which meets the applicant's engineering requirements.
 - (d) The fees, cost or contractual provisions required in order to share an existing tower or structure or to adapt an existing tower or structure for co-location are not unreasonable. For the purposes of this paragraph, costs exceeding new tower development are presumed to be unreasonable.
8. Applicants receiving approval for a tower shall agree to allow co-location on the tower for reasonable market compensation as long as the conditions described in subsections c.7. (a)(b)(c) and (d) are met.
9. A condition of every approval of a communication tower shall be adequate provision for the removal of the facility whenever it ceases to be used for one year or more. Removal included the proper receipt of a demolition permit from Building Official and proper restoration of the site to the satisfaction of the Zoning Administrator. Removal of the tower and its accessory use facilities shall include removing the top three (3) feet of the caisson upon which the tower is located. This area shall then be filled and covered with top soil and restored to a state compatible with the surrounding vegetation.
10. To ensure proper removal of the tower when it is abandoned, any application for a new tower shall include a description of the financial security guaranteeing removal of the tower which will be posted at the time of receiving a building permit for the facility. The security shall be a :
- 1. Cash Bond
 - 2. Irrevocable bank letter of credit, or;
 - 3. Performance bond in a form approved by the Village.

The amount of such guarantee shall be no less than the estimated cost of removal and may include a provision for inflationary cost adjustments. The estimate shall be prepared by the engineer for the developer and shall be approved by the Village. The applicant shall be responsible for the payment of any cost or attorney fees incurred by the Village in securing removal.

- D. Wind electrical generation towers and electrical generation windmills, other than those exempted under subsection B, are allowed as special land uses in all zoning districts, pursuant to Article XVII and the following requirements:
- 1. The applicant shall submit a written explanation of the design characteristics and the ability of the structure(s) and attendant facilities to withstand winds, ice, and other naturally occurring hazards. This information shall address the potential for the

tower or other mounting structure and/or antennas to topple over or collapse, and what tower configuration should be expected in such an event.

2. The minimum setback from any property line or road right-of-way shall be equal to the height of the tower.
3. The tower shall not be unreasonably injurious to the safety, aesthetics, or market value of nearby properties.
4. All tower bases and related equipment shall be surrounded by a full perimeter fence to prevent unauthorized access. The fence shall have locked gates and shall be cyclone fence at least six (6) feet in height. The site shall be maintained in a neat manner.
5. The towers, windmills, and related equipment shall comply with all current guidelines published by the Energy Office of the State of Michigan or its successor agency.
6. A condition of every approval of a communication tower shall be adequate provision for the removal of the facility whenever it ceases to be used for one year or more. Removal includes the proper receipt of a demolition permit from the Building Official and proper restoration of the site to the satisfaction of the Zoning Administrator. Removal of the tower and its accessory use facilities shall include removing the caisson upon which the tower is located to the depth which is at least three (3) feet below the natural surface of the ground. This area shall then be filled and covered with top soil and restored to a state compatible with the surrounding vegetation.
7. To ensure proper removal of the tower when it is abandoned, any application for a new tower shall include a description of the financial security guaranteeing removal of the tower which will be posted at the time of receiving a building permit for the facility. The security shall be a:
 1. Cash Bond
 2. Irrevocable bank letter of credit, or;
 3. Performance bond in a form approved by the Village.

The amount of such guarantee shall be no less than the estimated cost of removal and may include a provision for inflationary cost adjustments. The estimate shall be prepared by the engineer for the developer and shall be approved by the Village. The applicant shall be responsible for the payment of any cost or attorney fees incurred by the Village in securing removal.

Section 13.12. YARD SALES. No person shall operate or permit to be operated on his property any yard sale, except in compliance with the following requirements:

- A. No yard sale shall be conducted for more than four (4) days.
- B. No more than four (4) yard sales may be held during any calendar year.

- C. Any temporary signs advertising the yard sale shall be removed within twenty-four (24) hours after the completion of the yard sale.
- D. For purpose of this Ordinance, the term “yard sale” shall mean any offering for sale of personal property in an area zoned for residential use. The term “yard sale” shall include sales commonly known as “garage sales”, “porch sales”, “basement sales”, and similar operations. The offering for sale of a single item only, such as an automobile or a boat, shall not be considered a “yard sale”. Any sales which are conducted as part of a permanent business enterprise on property zoned for industrial or commercial use shall not be considered to be “yard sales” covered by this Ordinance.

Section 13.13. MOVING OF BUILDINGS, MANUFACTURED HOMES, AND OTHER STRUCTURES.

- A. No building, manufactured home, or other structure shall be moved into or within the Village unless a zoning Compliance Permit has been issued by the Zoning Administrator prior to the moving of the building, manufactured home, or structure.
- B. In the case of new manufactured homes, the Zoning Administrator shall be provided with verification that the manufactured home was constructed pursuant to current standards of the U.S. Department of Housing and Urban Development. In the case of new modular homes, the Zoning Administrator shall be provided with verification that the modular homes were constructed in compliance with the BOCA Code or the Michigan Construction Code.
- C. In all other cases (buildings, structures, or used manufactured homes), the Zoning Administrator shall be provided with a Certificate of Code Compliance pursuant to an inspection conducted by a registered Building Inspector approved by the Village. Any Code deficiencies identified by the Inspector must either be corrected prior to the building, structure, or used manufactured home being brought into the Village or else the applicant must post a performance bond, bank letter or credit or a cash deposit with the Village Treasurer in an amount sufficient to cover all required repairs.
- D. The applicant shall be responsible for compensating the registered Building Inspector for all required inspections.

Section 13.14. RECREATIONAL VEHICLE PARKING AND STORAGE.

- A. For purposes of this section, recreational vehicles shall be deemed to include motor homes, camping trailers, pickup campers, camping vans, buses, cargo trailers, or other units either designed or used for human occupancy and which do not meet the single-family dwelling standards of Section 13.04.

- B. Recreational vehicles (not including mobile homes) may be parked or stored on property containing an occupied single-family dwelling, provided that the number is limited to not more than two (2) recreational vehicles. All such recreational vehicles shall be currently licensed.

Section 13.15. ACCESSORY BUILDINGS. Accessory buildings may not be constructed prior to, but may be constructed in conjunction with, the main building. In no event shall an accessory building be constructed any closer to the road than the dwelling.

Section 13.16. FENCES. All fences (including walls and other enclosures) shall comply with the following requirements:

- A. All fences shall be placed on or within the boundaries of the property owner unless a written agreement is obtained with the adjacent owner allowing construction of the fence on the shared property line.
- B. No fence shall be placed within any public right-of-way.
- C. Fences located within front yards in residential zoning districts shall not exceed four (4) feet in height. Fences located in rear and side yards in such districts shall not exceed six (6) feet in height.
- D. Barbed wire cradles on chain link fences may be used in the C-I district or for public utility facilities.
- E. Fences shall only be constructed with standard fence material and shall be constructed with the finished side facing toward adjacent properties. No pallets, tires, cast-off materials or deteriorated materials shall be used for fence purposes.
- F. A Special Land Use Permit is required to erect any fence. Permits are available at the Village Hall at no cost. If a permit is not obtained the Zoning Administrator may require the removal of the fence.

ARTICLE XIV

Non-conforming Lots, Uses, and Structures

Section 14.01. CONTINUED NON-CONFORMING USES PERMITTED.

Within the districts established by this ordinance there exist lots, structures, and uses of land and structures, which were lawful prior to the adoption of this Ordinance. These non-conformities may continue until they are removed.

Section 14.02. NON-CONFORMING STRUCTURES. Where a lawful structures exists at the effective date of adoption of this Ordinance that could not be built under the terms of this Ordinance, such structure may be continued so long as it remains otherwise lawful, subject to the following provisions:

- A. No such non-conforming structure may be enlarged or altered in any way which increases its non-conformity.
- B. Should such non-conforming structure be destroyed by any means to an extent of more than seventy-five (75%) percent of its value, it shall not be reconstructed except in conformity with the provisions of this Ordinance.
- C. Should such structure be moved for any reason whatever, it shall thereafter conform to the regulations for the district in which it is located after it is moved.

Section 14.03. NON-CONFORMING USES OF LAND OR STRUCTURES. Where at the time of passage of this Ordinance lawful use of land or structures exist which would not be permitted by the regulations imposed by this Ordinance, the use may be continued so long as it remains otherwise lawful, provided:

- A. No such non-conforming use shall be enlarged or increased, nor extended to occupy a greater area of land or additional structures than that occupied at the effective date of adoption or amendment of this Ordinance.
- B. If any such non-conforming use ceases for any reason for a period of more than twelve (12) months any subsequent use shall conform to the regulations specified by this Ordinance.
- C. No additional structure not conforming to the requirements of this Ordinance shall be erected in connection with such non-conforming use of land.
- D. No existing structure devoted to a use not permitted by this Ordinance in the district in which it is located shall be enlarged, extended, constructed, reconstructed, moved, or structurally altered except in changing the use of the structure to a use permitted in the district in which it is located.

ARTICLE XV

Planning Commission

Section 15.01. ESTABLISHED. The Forestville Planning Commission has been established as authorized by the Michigan Planning Enabling Act of 2008 and the Forestville Village Planning Commission Ordinance.

Section 15.02. POWERS. The Planning Commission shall have the power to review and approve site plans pursuant to Article 16 of this Ordinance, to hear and decide requests for special land uses pursuant to Article 17 of this Ordinance, and to hear and make recommendations on zoning amendments requests pursuant to Article 19 and 20 of this Ordinance.

ARTICLE XVI

Site Plan Review Requirements

Section 16.01. SCOPE. A site plan shall be prepared and submitted for every construction project and every proposed change in land use.

Section 16.02. PROCEDURE. All site plans shall be submitted first to the Zoning Administrator, who shall review the plans for compliance with the requirements of the Zoning Ordinance. The Zoning Administrator shall then refer the site plan to the Planning Commission for review and decision. Once a site plan is approved by the Planning Commission, it shall not be altered without the consent of the Planning Commission.

Section 16.03. CONTENT. Each site plan shall include the following:

- A. Area of the site.
- B. Date, north point, and scale
- C. Dimensions of all property lines.
- D. Location and dimensions of all existing and proposed structures on the property or on adjacent properties within one hundred (100) feet of the property lines.
- E. Location and dimensions of all existing and proposed roads (including right-of-ways), driveways, sidewalks, and parking areas (see Article XII).
- F. Location of all existing and proposed utility lines, wells, septic systems, and storm drainage.
- G. Location, dimensions and details of proposed plantings, greenbelts and landscaped areas (see Section 13.07).
- H. Exterior drawings of proposed new buildings or existing buildings to which major additions are proposed.
- I. Location, dimensions, and drawings of existing and proposed signs (see Section 13.05).
- J. Name, address, and telephone number of the person who prepared the site plan.

Section 16.04. STANDARDS. In determining whether or approve, modify, or deny a site plan, the Planning Commission shall consider the following:

- A. Adequacy of traffic ingress, egress, circulations, and parking.
- B. Adequacy of landscaping to protect adjoining properties and enhance the environment of the community.
- C. Location and design of proposed structures so as to ensure that detrimental effects on adjacent properties will be minimized.

D. Adequacy of storm drainage.

E. Location and design of signs so as to prevent highway visibility obstructions, driver distractions, encroachments, and adverse impacts on the community environment.

Section 16.05. BOND. A cash deposit shall be posted with the Village as a guarantee that the project will be completed in accordance with the approved site plan. Upon the completion of the project in accordance with the approved site plan, the bond shall be released. The Amount of the bond shall be five (5%) percent of the project cost, but in no case shall the bond amount be less than One Thousand (\$1,000.00) Dollars.

Section 16.06. TIME FOR COMPLETION. Each site plan shall be fully complied with and all construction completed within one (1) year of the date the building permit is issued. Site plan approval shall expire two (2) years from the date the Planning Commission granted initial approval, unless the site plan has been fully completed or unless an extension has been granted by the Planning Commission.

ARTICLE XVII

Procedures For Special Land Use Approval By Planning Commission

Section 17.01. APPLICATION. For all special land uses, a written application shall be submitted to the Planning Commission. Such application shall contain a description of the proposed use, a legal description and street location of the property on which the proposed use would be located, the signature of the property owner, the signature of the petitioner (if different from the property owner), and a scale drawing of the site. The scale drawing shall show existing and proposed buildings, driveways, points of ingress and egress, parking areas, fencing, landscaping, signs, and road right-of-ways.

Section 17.02. HEARING. Request for special land uses may be heard and decided at any regular or special meeting of the Planning Commission; provided the petitioner has presented all required information and proper notice has been given. Notices of public hearing on special land uses shall be sent to the person requesting the special approval, the owner of the property which is the subject of the request, and to owners and occupants of property within a minimum of three hundred (300) feet from the property lines of the property which is the subject of the request. Notice shall be given to property owners as shown on the latest tax assessment roll. A notice shall be published once in a newspaper of general circulation. All notices shall be published, mailed or personally delivered not less than fifteen (15) days prior to the hearing date.

Section 17.03. STANDARDS. Requests for special land uses shall be granted or denied based on the following standards:

- A. The location, size and character of the proposed use shall be in harmony with; and appropriate to the surrounding neighborhood.
- B. The proposed use shall not result in the creation of a hazardous traffic condition.

- C. The site layout, intensity of use, and time periods of use shall not be such as to create a nuisance due to dust, noise, smell, vibration, smoke, or lighting.
- D. All specific requirements of the zoning district where the proposed use would be located shall be complied with.

Section 17.04. DECISION. The Planning Commission may deny, approve, or approve with conditions any request for a special land use. The decision of the Planning Commission shall be incorporated in a statement containing the findings and conclusions on which the decision is based and any conditions imposed. Any condition imposed shall meet all of the following requirements:

- A. Be designed to protect natural resources, the health, safety, and welfare and the social and economic well-being of those who will use the land use or activity under consideration, residents and landowners immediately adjacent to the proposed land use or activity, and the community as a whole.
- B. Be necessary to meet the intent and purpose of the Zoning Ordinance, be related to the standards established in the Ordinance for the land use or activity under consideration, and be necessary to ensure compliance with those standards.

Section 17.05. EXPIRATION. Planning Commission permission for a special land use shall expire one (1) year from the date of the meeting at which permission is granted unless the premises has actually been occupied by the use permitted or unless construction has been undertaken to prepare the premises for the use permitted within the one-year period.

ARTICLE XVIII

Zoning Board Of Appeals

Section 18.01. MEMBERSHIP. There is hereby established a Zoning Board of Appeals. The Zoning Board of Appeals shall consist of three (3) members appointed by the Village Council. One member shall be a member of the Village Council. One member shall be a member of the Planning Commission. One member may be a member of the Village Council. The remaining members shall be electors who are not employees or contractors of the Village. Each member shall be appointed for a term of three (3) years, except that the term of office of the members who are also members of the Village Council or Planning Commission shall terminate if their membership on the Village Council or Planning Commission terminates before the end of the three-year term. The Village Council may also appoint two (2) alternate members to three (3) year terms to serve whenever a regular member is unable to participate. The Zoning Board of Appeals shall elect a Chairman, Vice-Chairman, and Secretary. The Village Council member may not serve as Chairman.

Section 18.02. APPEALS. An Appeal may be taken to the Zoning Board of Appeals by any person wishing to appeal for a variance from any ordinance provision or appeal any final decision of the Zoning Administrator or the Planning Commission, including special land use decisions. The Zoning Board of Appeals shall also interpret the zoning map and rule on non-conforming uses and

structures whenever the determination of the Zoning Administrator is appealed. All appeals must be applied for in writing on forms provided by the Village. The Zoning Board Of Appeals shall give notice of the hearing to the parties involved. The Zoning Board of Appeals shall publish a notice of public hearing in a newspaper of general circulation and shall give notice to owners and occupants of property which is the subject of the appeal. Notice shall be given to property owners as shown on the latest tax assessment roll. All notices shall be published, mailed or personally delivered at least fifteen (15) days prior to the hearing dates.

Section 18.03. AUTHORITY TO GRANT VARIANCES. The Zoning Board Of Appeals shall have the authority to grant both use variances and non-use variances. Non-use variances may be granted whenever there can be shown to be practical difficulties in carrying out the strict letter of the Ordinance. Use variances may be granted whenever there can be shown to be unnecessary hardships imposed on the property owner if the strict letter of the Ordinance is carried out.

Section 18.04. DECISIONS. The Zoning Board of Appeals may require the appellant to provide such additional information as is necessary to make a decision. In making a decision, the Zoning Board of Appeals may impose such conditions as it may deem necessary to comply with the spirit and purpose of the Zoning Ordinance. The Zoning Board of Appeals shall decide appeals in such a manner that the spirit of the Ordinance is observed, public safety secured, and substantial justice done. The Zoning Board of Appeals shall state findings and the grounds for each decision. Any conditions imposed by the Zoning Board of Appeals shall meet the following requirements:

- A. Be designed to protect natural resources, the health, safety, and welfare and the social and economic well-being of those who will use the land use or activity under consideration, residents and landowners immediately adjacent to the proposed land use or activity, and the community as a whole.
- B. Be related to the valid exercise of the police power, and purposes which are affected by the proposed use or activity.
- C. Be necessary to meet the intent and purpose of the Zoning Ordinance, be related to the standards established in the Ordinance for the land use or activity under consideration, and be necessary to ensure compliance with those standards.

Section 18.05. QUORUM REQUIREMENTS. The Zoning Board of Appeals may only conduct business if a majority of the regular members are present.

Section 18.06. EXPIRATION OF VARIANCE APPROVALS. Any variance shall expire one (1) year from the date it is granted unless use of the property has begun or construction has been undertaken pursuant to the variance.

ARTICLE XIX

Amendments and Rezoning

Section 19.01. APPLICATION. The Village Council may, after a public hearing by the Village Planning Commission, amend the regulations or the district boundaries of this Ordinance pursuant of the authority and according to the procedure set forth in the Michigan Zoning Enabling Act. Proposed amendments to the regulations or district boundaries of the Ordinance may be initiated by

the Village Planning Commission, the Village Council or an individual petitioner. Whenever an individual petitioner requests a zoning amendment, he shall be the fee owner of the premises concerned or else have the fee owner also subscribe to his petition. A petition for rezoning shall be submitted to Village Clerk along with a rezoning fee, as established by the Village Council.

Section 19.02. NOTICE OF HEARING. Notice of a Planning Commission public hearing for a zoning amendment or a rezoning of property shall be published in a newspaper of general circulation in the Village for each proposed amendment to the regulations or district boundaries. If property is proposed to be rezoned, notice shall also be delivered personally or by mail to the owner of the property proposed for rezoning and the owners and occupants of all property within three hundred (300) feet of the property proposed to be rezoned. The notices shall be published, mailed or personally delivered no less than fifteen (15) days before the hearing date.

Section 19.03. PLANNING COMMISSION HEARING AND RECOMMENDATIONS. After conducting the required public hearing, the Village Planning Commission shall adopt recommendations as to the approval or denial of the proposed rezoning of property or amendment to the Ordinance regulations. Upon completion of action by the Village Planning Commission, the proposed rezoning or amendment shall be submitted to the Village Council for consideration.

Section 19.04. VILLAGE COUNCIL. Upon receipt of the recommendations of the Village Planning Commission, the Village Council shall undertake consideration of the proposed rezoning or amendment. Any decision by the Village Council which results in the rezoning of property or the amendment of the Ordinance shall be incorporated in an ordinance duly adopted and published by the Village Council.

ARTICLE XX

Voluntary Rezoning Agreements

Section 20.01. AUTHORITY. The Village Council may, after a public hearing by the Village Planning Commission, enter into an agreement with a property owner to rezone property pursuant to the authority contained in MCL 125.3405.

Section 20.02. APPLICATION. Any offer to enter into a rezoning agreement shall be submitted to the Village Clerk along with a rezoning agreement fee, in an amount established by the Village Council. Whenever a petitioner offers to enter into a rezoning agreement, the person shall be the fee owner of the premises concerned or else have the fee owner subscribe to the offer. Proposed rezoning agreements may only be initiated by a property owner and not by the Village.

Section 20.03. PLANNING COMMISSION HEARING AND RECOMMENDATION. After conducting a public hearing, the Village Planning Commission shall adopt recommendations as to the approval, approval with revisions, or denial of a proposed rezoning agreement. All procedural requirements for a rezoning, as contained in Article XIX, shall be complied with.

Section 20.04. VILLAGE COUNCIL. Upon receipt of the recommendations of the Village Planning Commission, the Village Council shall undertake consideration of the proposed rezoning

agreement. Any decision by the Village Council which results in a rezoning agreement shall be incorporated in a written document duly executed by the Village Council and the property owner. Any such agreement shall be recorded with the Register of Deeds and shall run with the land.

Section 20.05. STANDARDS FOR DECISION. In deciding whether or not to approve a proposed rezoning agreement, the Planning Commission and the Village Council shall base their decisions on the following factors:

- A. The terms of the offer must be reasonably related to the property covered in the agreement.
- B. The proposed land use must be designed in such a way as to be compatible with surrounding land uses.
- C. The proposed land use must be consistent with the goals and policies of the Village.

Section 20.06. LIMITATIONS ON AGREEMENTS. A rezoning agreement shall not be used to allow anything that would not otherwise be permitted in the proposed new zoning district. Any proposed variations from strict requirements such as density, permitted uses, or lot size, shall be granted by the Zoning Board of Appeals pursuant to the variance standards contained in Article XVIII. Any agreement shall include a specific time period during which the terms of the agreement must be completed.

Section 20.07. ZONING REVERSION. In the event that the terms of a zoning agreement are not fulfilled within the time specified in the agreement, the Village Council shall initiate a proposed rezoning to revert the property back to the original classification.

ARTICLE XXI

Violations

Section 21.01. ENFORCEMENT AND PENALTY. Any person, firm or corporation who violates any of the provisions of this Ordinance is responsible for a municipal civil infraction, subject to payment of a civil fine of not less than fifty (\$50.00) Dollars, plus costs and other sanctions, for each infraction. Repeat offenses under this Ordinance shall be subject to increased fines as provided for in the Forestville Village Civil Infraction Ordinance.

Section 21.02. NUISANCE PER SE. Any building or structure which is erected, altered, or converted or any use of any premises which has begun or changed and in violation of this Ordinance, is hereby declared to be a public nuisance per se and may be abated by any court of competent jurisdiction.
